Church

Psalm 107:1 Oh give thanks to the Lord, for he is good, for his steadfast love endures forever!

It is hard to believe that November is almost here, and what a busy November we will have here at church. It starts this week with us participating in the Town of Bailey's, Night on the Town event as we will be handing out candy and glow sticks to kids. This will be a great opportunity for us to meet even more people that live right here in our community and let them know about Christ, us, and our new Wednesday night TeamKID ministry.

Our church building once again will serve as a poling place for the November 3rd election and this means that we will set up a hospitality tent and offer hot cocoa, bottled water and prayers for those that come out that morning. We are also looking forward to our seniors taking a road trip as they head to Yoder's Dutch Pantry and Farm on November 10th and then later that week our youth will be going to Fort Caswell for a weekend retreat on the 13th. As you can see, November is a busy month for us here at Bailey Baptist and that is something that we can truly be thankful for. With Thanksgiving coming that also means we will have the Hanging of the Greens on November 29th and with that we will begin to look forward to Christmas and our season of Advent.

Did you know that science has shown that being thankful has many positive impacts on people's lives? Some of these benefits include improved mental and physical health, even helping reduce aches and pains. Thanksgiving is just around the corner and for many people that means that they will have family get togethers. As part of that, many of them will go around the table and say something that they are thankful for. But I say why wait until November 26th, take sometime today to tell others what you are thankful for. Take time to offer praises of thanksgiving to the Lord.

God Bless,

Pastor Daniel

**Nash County
General Election
Tuesday, November 3**

Bailey Baptist Church is a
voting site for this election.

The polls will be open from 6:30am-7:30pm.
An Election Day Hospitality Tent will be set up
outside the campaign zone with hot cocoa and
bottled water. We will be handing out gospel
tracts and church information and an offer to
pray for any personal needs that the voters
have as they leave the building after voting.

"Fulfill the Challenge"

Sunday, November 8th

100% of money collected will go into the Mission
Fund. These donations will help to support ministries
locally, statewide, nationally and internationally.

HONORING ALL WHO SERVED

Nov. 16-23

Collection Week

Operation Christmas Child brings good
news and great joy through the power of
a simple gift. What goes into a shoebox is
fun, but what comes out is eternal. As
children receive gift-filled shoeboxes,
they hear the Gospel. You can have a role
in reaching millions of children with God's
love by supporting this project of Samari-
tan's Purse. Shoeboxes are in the church
hallway and in the Sanctuary. Our goal is
100 boxes.

November 26 Office Closed

Hanging of the Greens

Sunday night, November 29 join us as we prepare
our hearts and eagerly look forward to Christmas
and the celebration of the birth of our Lord and
Savior Jesus Christ.

Horseback Ministry

On Wednesday night, October 7th we were blessed with a Bible Study from horseback. It was presented by Danny Blackburn (Daniel's dad). It was about having a close personal relationship with God. Everyone brought their own lawn chair or just sat in their car. It was amazing!

Work Day!

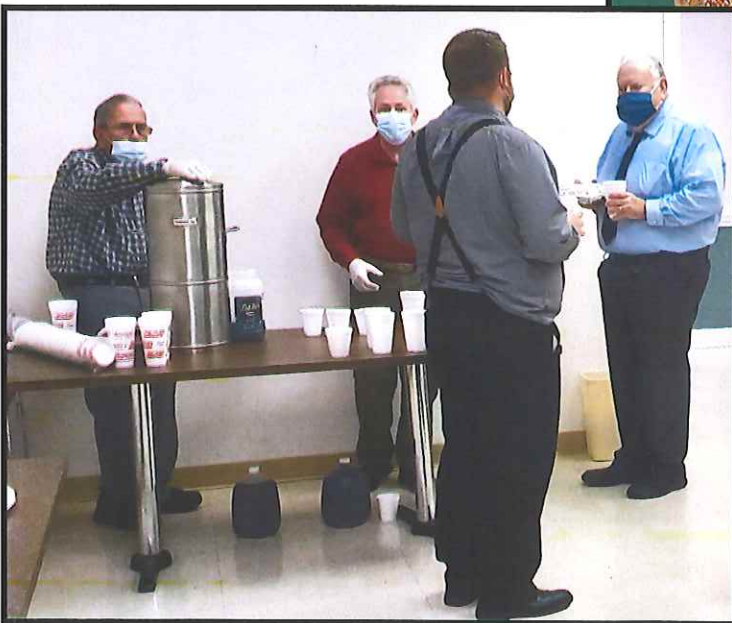

Special thanks to all those that showed up for work day at the church. Ed & Emily, Dennis & Sharron, Bobby & Peggy, Jake & Phyllis, Jerry & Nan, David, Barbara, Daniel, Linda B, Walter, Renee, and Gary.

There was also some work done inside the church on other days. Marilyn, Peggy L and Jackie cleaning windows, in Fellowship Hall, Daniel, William, Ed, Emily, Bobby, Jake, and Jackie doing work in the basement.

Homecoming 2020

Homecoming 2020 was most unusual. It was the first fellowship since March 15. Everyone was spread out in the fellowship hall and observed the social distancing. The food was catered by Parker's Barbeque and Smithfield's. Church members and friends brought the desserts.

The message was brought by Rev. Dougald McLaurin of the Tar River Baptist Association. Special music by Debbie Mason, Barbara Brown and Gary Joyner.

On Campus in the Midst of COVID

Campus is still open here at Virginia Tech, and we are still meeting with students! Praise God!!

Life is radically different for all of us right now, and campus ministry is no different. We are dealing with restrictive campus policies, size limitations, and even "no singing" policies, but we are just so thankful that we still have in-person students to meet with and minister to! The university has been great to work with in figuring out our role and place in campus life right now, but they value the faith community and the fact that students need community right now, so we are thankful for the partnership we have with them. It has been a steep learning curve navigating working with a new ministry team, who is also navigating a new way of doing ministry this year! But we have so many and so much to be thankful for, most of all the work that God is continuing to do in the lives of students.

We are on a staff team of 36 here, so there are more stories already than I can share in this space. But know this - in the past month, students have given their lives to Jesus, students have begun seeking Jesus for the first time, students are drawing closer to Jesus as they learn what it means to follow him, students are finding community with fellow believers, and students are regularly hearing the gospel proclaimed! All glory to Jesus!!

A Glimpse Into the Life

Some of you may be interested in what exactly the Moodys are doing this year, in terms of ministry, so I thought I'd share a bit of a glimpse into our roles and responsibilities. VT Chi Alpha has split their entire ministry into 8 smaller groups, called Connect Groups (CGs). Steven and I lead one of these CGs. This means we lead the weekly worship meeting (Steven usually preaches), we

disciple and lead our student leaders in this group (and help them as they lead their Lifegroups), we plan and execute all our CG events, and we administrate all these things. In addition to this, we are also each co-leading a student Lifegroup this year, and we are discipling some of those students as well. Oh yeah, and we are still doing our online NDT course in the midst of all this, as well as trying to meet and share the gospel with new students. If you've wondered why you haven't heard from us as much lately, well now you know. :)

While the time commitment needed to do all of this has been strenuous, it has been such a great opportunity for growth. We feel a little bit like we are leading our own mini-ministry here within the larger Chi Alpha group, and we know it is helping to prepare us for pioneering in the near future. Thank you all for your continued prayers - we cannot do this without you!

Before we kicked off the semester, we had a Leaders Day at Claytor Lake. Here, Anthony is vision-casting for the upcoming semester.
