**Bailey Baptist  
Church**

Christmas time is almost here, and what a wonderful time of year it is. Christmas is when we celebrate Christ coming into this world, we celebrate His birth. That is the true meaning of Christmas, a meaning that so many times gets lost or gets forgotten about because of all the other things that come along with Christmas. One of the biggest things about Christmas is the gifts and it is easy to get focused on the gifts and forget why we give gifts on Christmas. We give gifts to celebrate the gifts that wise men brought to Jesus. I worked at Wal-Mart for five years and during that time I saw so many people really focusing on gifts. I would work on Black Fridays and see people getting mad at one another over saving a few dollars on some gifts. This is not how we should be, Christmas is a time of celebration and joy, not greed and anger. John sums up the meaning of Christmas in two short verses (John 1:1, 14). "In the beginning was the Word, and the Word was with God, and the Word was God. <sup>14</sup> And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth." We celebrate because the Word became flesh, we celebrate because the Word later took our place on the cross, we celebrate because as believers we are made right with God.

I hope that throughout this Christmas season you can stay focused on what this season is all about. I also hope that you will tell others what the real meaning of Christmas is. Our church has an active holiday season planned and I hope that you will be able to join us at one of the many things we are doing.

God Bless,

Pastor Daniel

## **THANK YOU PASTOR**

"A leader is one who knows the way,  
goes the way and shows the way."

-John C. Maxwell

Pastor Daniel, In your work as our pastor, may God fill you with the Holy Spirit and enrich the lives of both you and those around you! Thank you for your service and know that we all appreciate your hard work.

Then I will give you shepherds after my own heart, who will lead you with knowledge and understanding. Jeremiah 3:15

# Halloween "Night On the Town!"

Bailey Baptist Church had the opportunity to once again participate in an event that the town of Bailey was sponsoring.

## Halloween "Night On the Town!"

There was something going on all down the main street of Bailey. We had two tents set up and gave out candy, tracks, and information about the church. We also gave out over 600 glow sticks. It was a fun time for all!

# WOM Project

There are many children that come and play at the church playground. The Mission/Evangelism Committee felt led by God to reach out to these children. The idea of the Mailbox Ministry was born.

The WOM agreed to put together packets that include a coloring page, activity page, pamphlet about the church, crayons and markers. The children that play there can take one home with them and have activities that point them to Jesus. Please pray for these packets that they would touch hearts for Jesus.

## N.C. Baptist On Mission

A small community of 244 houses in Moyock, NC were connected to a privately own sewage system. This system broke down and the people had sewage backing up in their homes. There was just no where for water to go.

The First Baptist Church of Moyock reached out to them. They called N.C. Baptist On Mission.

Ed and Emily Creech and three other volunteers went to Moyock and set up a laundry unit and a shower unit. For four days they did people's laundry averaging about 50 loads a day. They also had a shower unit there for those that wanted to come and take showers.

Special thanks for those volunteers and to First Baptist church for letting us stay in their church and also for providing our meals.

## Day 3

Tuesday, December 1

Doug Derbyshire has been faithfully visiting Baan Po as a medical missionary for the last six years. After trying every evangelism technique he knew, there was still no church in Baan Po. His last visit in January 2020 sparked new hope as three patients made decisions of faith.

## Day 4

Wednesday, December 2

Farmers harvest fish from a pond built to provide a sustainable livelihood for 11 indigenous missionary families. IMB missionary Joe Brewster and his team partner with indigenous missionaries in Peru to engage unreached tribes with the gospel.

## Day 5

Thursday, December 3

Throughout their 175-year history, Southern Baptists have maintained an uninterrupted witness among the nations, in spite of famine, war and civil unrest. This commitment has not come without sacrifice.

## Day 6

Friday, December 4

Working alongside Italian and US partners, the Worthys bring the gospel to areas of Italy with little to no evangelical witness by strategically placing partnering groups in areas of Italy where churches do not exist.

## Day 7

Saturday, December 5

For 20 years, the IMB worked to maintain a gospel presence among the Khaleela, a Muslim people group in South Asia. After years of setbacks, Luciano and Sofia Serrano moved to the region and are now discipling a woman from the Khaleela who decided to follow Christ.

## Day 8

Sunday, December 6

IMB missionaries say thank you to Southern Baptists who give generously so that the gospel spreads to all nations.

# Samaritan's Purse Shoeboxes

We collected a total of 88 shoeboxes this year. Our goal was 100 so we didn't quite make our goal, but we are happy about the ones we did receive.

Due to the Pandemic, it has been hard for many to get out and shop so we praise the Lord for those that did take the time to pack a shoebox. There are 88 children that will receive a Christmas present from people at Bailey Baptist Church. Our theme "Pack a Box...Change a Life" is truly awesome as every child that receives a shoebox will be pointed to Jesus and Jesus can change their life.

On November 15, 2020 Peggy Lamm said a very touching prayer as we dedicated the shoeboxes. Phyllis and Jake Rathbun and Ed and Emily Creech delivered the shoeboxes to White Oak Hill Free Will Baptist Church on November 18. Again the shoeboxes were prayed over. God is going to do mighty things with these shoeboxes. We want to thank all of the people who pack shoeboxes. Thank you for your time, your resources, and your prayers. You are touching many lives.
